WHAT'S NEW IN NURSING

Insight. Inspiration. Ingenuity.

Have you joined the National Student Nurses' Association (NSNA)? They have a yearly event that our nurses have attended in the past, videos, articles, and so much more. Furthermore this is a great way to keep up on the trends in nursing and shows employers that you are "in the know," when they see it on your resume, aiding you in a potential interview.

IT / TECHNOLOGY UPDATES

Staying Safe Around Always Listening Devices Tips from Security Experts KnowBe4

Support@eiccollege.edu

With the overwhelming popularity of always-listening devices such as Alexa, Google Home, and smartphones, you've probably heard stories of these devices joining in on conversations without being prompted. Perhaps it's even happened to you! While this idea can be unsettling, there are ways to protect your private information, and conversations, from these always-listening devices.
